

Town Talk

Thanksgiving Program Tonight—The eighth ward Bible class will have a Thanksgiving program Friday evening at 7:30 o'clock. The program is as follows: Chorus, five girls; Thanksgiving song; recitation, Doris Barnes; solo, Arthur Fisher; recitation, Jessie Roop; Farmer Boys chorus; recitation, Ray Hurst; story by Grace Watson; recitation, Richard Shurtliff.

Attend School Meeting—President Joseph Rosier, of the Fairmont State Normal school, and Prof. George F. Colebank, of the High school, went to Pittsburgh today, where they are attending the annual meeting of the Association of the Secondary Schools of the upper Ohio Valley. Prof. Colebank will read a paper before the conference on the subject "Rational College Entrance Requirements." President Frank B. Trotter and Dr. J. N. Deahl, of the West Virginia University, will represent the university at the conference which is one of the most important educational conferences to be conducted during the year.

Rev. Stoetzer Honored—Dr. H. G. Stoetzer, pastor of the First Presbyterian church of this city, has been honored by an invitation to participate in the National Christian Citizenship celebration December 3, 4, and 5 in Pittsburgh. The conference will mark the fifty-third anniversary of the organization and will be the first step looking toward a Third World's Christian Citizenship Conference to be held immediately following the close of the European war. Distinguished workers in the Christian cause will attend the conference from many parts of the United States.

Moose Smoker—Wednesday evening at the lodge rooms of the Moose a smoker and luncheon was held. About 75 members were present. Addresses were made by Dictator Stanley Boyer, Past Dictator Milton Bell and Trustee Elzie Morris, also by Bro. Wm. H. Rodewig, Jr., of York City, Pa., who gave a fine talk on "Moose and the Moose lodge." The local lodge has a membership of 400 at the present time and hopes to increase it to 800 before the charter closes which is December 20. Next Wednesday evening there will be another big special meeting at which all members will be present.

Injured Man Returns Home—Richard V. O'Brien, who was injured several weeks ago when he came in contact with a live wire while employed with the Consolidated Telephone company, has returned to Wheeling. He was accompanied there by Dr. Russell and his two brothers, J. J. P. and Frank O'Brien who came here for that purpose from Wheeling.

Ex-Governor Fleming Recovering—The condition of ex-Governor A. B. Fleming who had been very ill at his home in this city for the past week is considerably improved at this time. Mr. Fleming is suffering with a severe cold.

Automobile Stolen—Homer Toothman's automobile, a "henneryford" was stolen last night and some enthusiastic football fan drove it about town after which he mislaid it. City license 74 was on the front. At a late hour this afternoon the police and Mr. Toothman were still hunting the car.

Many Enjoy Dinner—Scores of boys and girls and older persons numbering more than a hundred all told enjoyed the hospitality of the Salvation Army yesterday at the local hall on Jackson street. A good substantial turkey dinner with all the appropriate Thanksgiving dishes was served. Captain Bryant, under whose direction the dinner was given had more than enough of things to eat for the guests and dozens of baskets of food were distributed in the city to needy families.

Investigate Food Price—Secretary Charles Evans, of the Fairmont Chamber of Commerce has been notified by the Pittsburgh Chamber of Commerce that any local light upon their food price investigation will be appreciated. It is alleged that commission merchants and others have been holding produce and allowing it to decay rather than flood the markets and lower prices. Secretary Evans has also been notified by the Public Service Commission that the advance in the demurrage rates on freight cars had been suspended until March 31, 1917.

M. W. A. Meets Tonight—Officers for the new year will be elected tonight by the Modern Woodmen of America at their meeting in the local hall. Following the business session of the lodge a banquet for the newly elected officers and the lodge members will be given.

Barbers' Price Raise Deferred—The advance in barber shop prices which was scheduled for today by agreement among the barbers of the city was not made when three of the shops announced that they would not make the raise. Another meeting of the knights of the shears and razor will likely be held to decide what shall be done about the matter. The new schedule called for 35 cents hair cuts instead of 25.

MAKING IT PLAIN
The Pure Food and Drug Laws aim to protect the public by preventing mis-statements on the labels of preparations but some people continue to accept "extracts" of cod livers thinking they will get the benefits of an emulsion of cod liver oil.
The difference is very great. An "emulsion" contains real cod liver oil, which has had the hearty endorsement of the medical profession for many years, while an "extract" is a product which contains no oil and is highly alcoholic.
Scott's Emulsion guarantees the highest grade of real Norwegian cod liver oil, skillfully blended with glycerine and hypophosphites. Scott's is free from the false stimulation of alcohol and is endorsed by good physicians everywhere.
Scott & Bowne, Bloomfield, N. J. 16-18

NEW PREMIER OF RUSSIA A REFORMER

General Trepoff is the new Russian premier, succeeding Premier Tuermer. He has been one of the leaders in the reform movement and his appointment is regarded as evidence of the government's desire to please the progressives and institute reforms.

Nearer and Dearer.
When you were a blushing miss, and I was your dutiful swain, a smile from you savored of bliss and a frown filled my heart with pain. Then you were dear; but now, as my wife, of course you are somewhat nearer, and in paying your bills, on my life, I'd swear you get dearer and dearer.

WANTED—Girl for general housework. Good wages. Apply 503 Walnut avenue. 12-1-tr No 1690

LOST—Bill book containing lodge receipts and small sum of currency. Return to Box 1689 West Virginian. 12-1-2t No 1689

FOUND—A bunch of keys. Owner may have same by applying at the office of the Monongah Company in the court house. 12-1-1t No. 1692

The World and The People—Now

Fully Realize that the Very Backbone of This Country's Existence is Founded on REAL ESTATE

The whole financial condition of the country would collapse if it were not for the land, its uses and values. The very structure of government's is based on land. Eliminate it from fiscal calculations and you create a hole in the whole republic.

Man's development and all his institutions are founded on the land. Responsible citizenship is based upon its lawful use and occupation. Vast wealth is mined from it, and the millions upon the earth gain sustenance from it alone. It is the source of all wealth, no matter what the latter's ultimate form may be.

Man cannot get away from the land. It is a part of his existence. He wouldn't have standing room on earth if he did not recognize the immensity of its place in the world of physics and economics.

Our prosperity is unprecedented—we have more gold than at any time in our previous history. These are record breaking times and the financial resources of America are so great that business cannot be restrained.

Are you making any preparation to fix yourself while prosperity lasts? Property is being bought and sold every day and profits made. Have you even started? The first move should be to get a roof over you and your family's heads. All the comforts of life, the security of your family and the pleasures of social intercourse follow after the erection of a shelter from the elements.

You do not have to buy—that's up to you.

The railroads are loaded with business. Banks are bursting with money. Manufacturers are filled with orders. These are the seven fat years. Will you profit as you should? Are you awake to your opportunities?
